We accepted most of Charles' edits, but we also went back to original language in a few instances (and made a few more grammar-type edits). Attached is the final version that is reflected in the Region's latest response.

I assume that you will not be signing this until you are sure that you can approve the Proposed Plan.

I went through Charles comments to the NRRB write up and accepted most of them. Where I didn't I explained why. Actually I thought his editorial suggestions were pretty good. Let me know if you agree with my assessment so I can ask Amy to finalize. Thanks.
